### ALLOCATION OF QUALIFICATION SLOTS

World Para Swimming reserves the right to conduct a slot allocation procedure following the Entry by Number if necessary.

It will be under the discretion of World Para Swimming to distribute any slots remaining after the entry deadline.

### ATHLETE ELIGIBILITY

To be eligible for selection by an NPC, athletes must:

- Hold an active World Para Swimming Athletes License for the 2018 season
- Have achieved a Minimum Qualification Standard (MQS) at an World Para Swimming approved 50m competition for the respective event between 01 January 2017 and 29 July 2018 (times are only recognised if the athlete was already licensed at the time of the achievement or has a recognised split time World/Regional record in the same length & stroke, that is included in the rankings).
- Have achieved a Minimum Qualification Standard (MQS) in accordance with the Athlete Licensing Program Policies valid for the 2017-2018 seasons
- be classified with a “New”, “Review” (R) or “Confirmed” (C) sport class status one relay specific athlete (without MQS) can be added to the NPC Team (no participation in other events is allowed in this case) – please contact the World Para Swimming office for such addition by 26 June. There can be a different relay-specific athlete entered for the different relays on the final programme.

**Note:**

*Classes 1-3 do not have MQS. The MQS was set on 18th place of the official Asian ranking list 01 January 2016- 31 December 2017. If there were not 18 athletes, the average of the last two times of the rankings is used as an MQS. If there were five or less athletes in the rankings, rank 20 of the official World ranking list was used (where appropriate).*

*For relay events there are no MQS times, teams can be entered even without previous achievement (they will be seeded with 'no time'). NPCs that have time for their relay team from the qualification period can enter this result in the final entries.*

## **BIPARTITE COMMISSION INVITATIONS**

World Para Swimming will allocate up to 30 Bipartite Commission Invitation slots. NPCs that have 5 or fewer swimmers on the qualification rankings may apply for the Bipartite Invitation slots.

To be considered for a Bipartite Commission Invitation, an athlete must hold an IPC Athlete Licence for the 2018 season and World Para Swimming must receive an official application from the relevant NPC no later than 17 July 2018.

The Bipartite Commission Invitation slot is allocated to the individual athlete and is not transferable to another athlete.

## **MAXIMUM ENTRY PER NPC**

NPCs can enter a maximum of three (3) eligible swimmers per medal event if all have met the MQS. If there is more than one eligible class in the single sport class event, a maximum of five (5) swimmers per event can be entered per each NPC. However, only a maximum of three (3) swimmers per each eligible sport class can be entered if all met the MQS.

NPCs can enter their athletes that have met at least one (1) MQS in an unlimited number of events.

## **EVENT VIABILITY CRITERIA**

Individual events will be considered viable if they have a minimum of six (6) eligible swimmers from three (3) NPCs entered through the Entry by Name. For classes S1-2 five (5) eligible athletes from two (2) NPCs through Entry by Name is required.

Relay events will be considered viable if they have a minimum of four (4) eligible NPCs entered through the Entry by Name.

World Para Swimming shall review the event viability following the close of the final entry on 31 July 2018. In the case an event does not meet the above viability criteria by the final entry, World Para Swimming may combine such event with other event(s) where appropriate and applicable. In such combined events, the World Para Swimming point system may be used to determine the placings. World Para Swimming also reserve the right to cancel such events or run them as non-medal events, depending on final entries

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 31 July 2018 , the event shall still be run as a Medal Event and the medals will be allocated under the ‘minus one’ rule.
