Call for Nominations to the APC Athletes' Committee

Dear Friends & Colleagues,

I am delighted to open the nomination process for members of the Asian Paralympic Committee's Athletes' Committee. This committee ensures that the athletes' voice is central to the APC's decision making process and I would encourage all NPCs to consider nominating a suitable candidate.

Composition of the Committee.

Five members of the Committee will be elected by the athletes participating in the Indonesia 2018 Asian Para Games. These five members will then choose their Chairperson (who attends the APC Executive Board meetings) and Vice-Chairperson at the first meeting and can propose two additional members to be co-opted onto the Athletes' Committee to ensure that the diversity of the Paralympic movement in Asia is represented.

Election process

The elections will take place during the Asian Para Games and will follow a similar format to those that happen during the Paralympic Games for the IPC Athletes' Council.
