Kuching 2019
World Para Swimming Championships

1-Accommodation Plan

Kuching City has been chosen as the first Asian city to host World Para Swimming Championships in 2019. Knowing the importance of this event, we thank you for the opportunity of hosting you.

This Accommodation Guide has been prepared by the **Kuching Para Swimming Organising Committee 2019** (KUPSOC2019) to provide you with information about the selected accommodation options for Athletes & Team Officials. These options are in the 4-Star categories and will provide a high level of service and facilities. The number of fully accessible rooms in the city is very limited, however, many rooms are wheelchair friendly and further accessibility solutions will be provided for the event.

Catering

While the rates displayed are bed and breakfast rates (per person), if a country chooses to stay at the LOC nominated hotels, lunch and dinner will also be provided at the hotel (as part of the competition services) and no additional charges will be incurred by National Paralympic Committees (NPCs).

Transport

Transportation will be provided from the Championship Hotels to the venue for classification, training and the competition. The transport schedule will be published closer to the event with it being expected that the journey time will be no more than 30 minutes (subject to traffic). The transport service will run regularly based on the competition schedule. Return airport transfers from Kuching International Airport per NPC delegation will be provided but additional charges may apply if individuals from the same delegation arrive at separate times from the full group and if we are unable to provide an alternative transfer.

***If an NPC books accommodation outside of the nominated Championship Hotels, through the LOC, transport and catering will not be provided by the LOC.
